

I NEVER KNEW YOU

INTRODUCTION

The kingdom of the heavens is here on earth, nevertheless the gospel of circumcision produces false brethren and these didn't want to see Christ after the cross. They wanted to continue to adore Jesus of Nazareth just as the entire religious system does today, who don't do the will of the Father, but present themselves with the following three credentials to the church of the Lord: **Prophecy, casting out demons and doing miracles**. When these people go before the Lord, he will say to them: **"depart from Me, you who practice lawlessness"**
