PREVARICATORS OF THE TRUTH

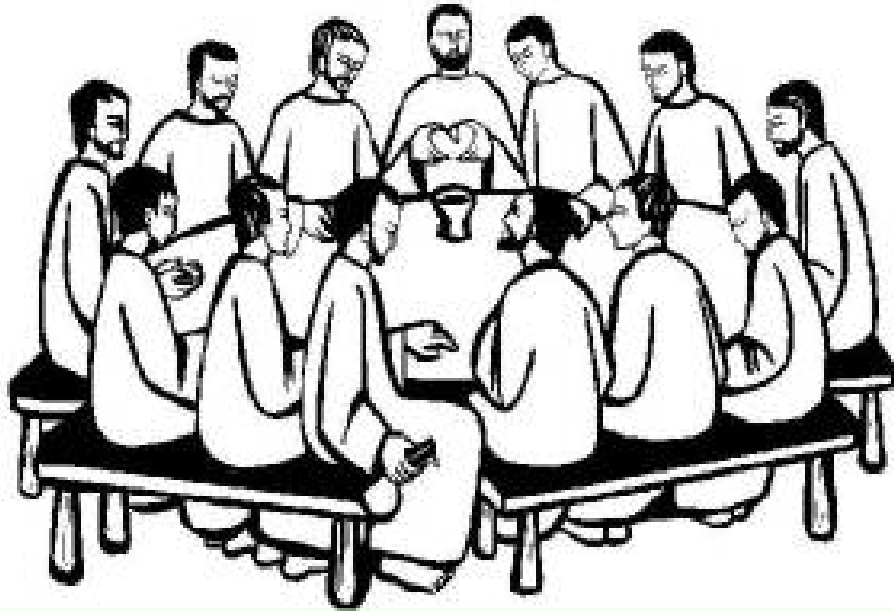

INTRODUCTION

A prevaricator is a person that knows he's lying and when he's confronted, he battles in his mind not to admit it and in his moment of silence he recognizes he's wrong but his lack of humility doesn't allow him to accept it. They are bad measures, dogs of two feet. Our father confronted himself before he shared with this beloved that he is the MCJ, in **Rom. 2:16, "God will judge by Christ Jesus"**, he's the only one that preaches according to the gospel of the apostle Paul. Prevarication began with **1.** The death of Paul. **2.** By preaching another gospel. **3.** By preaching another Jesus.
