THE PERSECUTION DUE TO THE GOSPEL

INTRODUCTION

**Love if you want
to be Happy**

Persecution is born from ignorance, of evil and wicked men, because faith is not of all and of people that still follow Jesus of Nazareth and persecute us thinking that they do God good; they have two blades:

1. They will hurt me.
2. How will the angel help me in this? Opposition will follow everyone who preaches the truth and it goes along with suffering, with outrage and that hurts, but we don't deny the Lord in anything. Dad is not here to please men, it goes beyond the flesh. God demanded the Law and now he demands Grace. As the Lord resurrected, the heavens and the earth were reconciled.
