Growing in Grace Educational Center

HOW TO LIVE BY FAITH

**Love if you want
to be Happy**

INTRODUCTION

When the Lord comes, will he find faith on earth?" The reason he would not find faith is because of the mixture of the 2 gospels. The one of circumcision **Rom 10:4-5** is about doing and it ended on the cross. The one of uncircumcision **Rom 10:8** which is the word of faith and it begins on the cross. The mouth is what will define what is in your heart. We learn to activate the faith by: **1.** Using the right gospel and **2.** Speaking the word, not by doing works, it's by speaking is that **the power of the gospel** activates. We are blessed, complete and like Abraham: "we call those things which do not exist as though they did". We confess this under any circumstance and by faith we say **I don't receive that, I declare myself healed, I say this is light and passing** and this way we give the angelical manifestation opportunity. Where you will speak and wait and the angels will act.
